

Meeting Agenda  
May 20, 2025 6:00 pm - 8:30 pm  
San Antonio Botanical Garden  
Discovery Classroom B  
555 Funston Place  
San Antonio, TX 78209-0569

6:00 PM – Meeting Sign-in

6:15 PM - Welcome & Intros (President -Rob Holliday)

6:30 PM –Field Day Report (Johnny D)

7:00 PM –Table Talks. This is a great time of year to have our yearly table talk. There will be seven tables available, each hosting a specific beekeeping topic and led by our very own subject matter experts. Pick a table or visit them all – you have the opportunity to ask questions about the practice of beekeeping.

Table 1 – Leader: Charlie Agar – Honey Bee Removals and Swarms.

Table 2 – Leader: Monica Kveton – Honey Extraction and Bottling

Table 3 – Leader: Heather Wilk – Urban/Suburban Beekeeping

Table 4 – Leader: Johnny D Monteverdi – Beginning Beekeeping

Table 5 – Leader: David Hunter/Cecile Parrish – Everything you want to know about queens and are afraid to ask. How to requeen, requeen hot hives, queen rearing, supersedures etc..

Table 6 – Leader: Dave Grinnan – I got a NUC ... now what? How to install and maintain your NUC.

Table 7 – Leader: Cristina Torrico – All about Honey with Wood Valley Bees. Honey like/dislikes, crystallization - is it normal? Taste local and other monofloral honey with Christina.

8:00 PM – Other Business

8:05 PM – Q/A

8:20 PM – Adjourn and Cleanup

8:30 PM - Lights out

**Next Meeting Tuesday will be held July 15, 2025**
