7:00 PM – Scott McKane – [McKane Apiaries](#) – Scott has been a beekeeper since 2011 and within 3 years had 55 hives. His admiration for beekeeping included traveling to Europe to research beekeeping techniques. In 2020 he moved to Austin and is supplying the area with beekeeping services including leasing contracts, colony removals, beekeeping classes and hive management options.

8:00 PM –Swap & Sale Meet*

8:20 PM – Adjourn and Cleanup

8:30 PM - Lights out

Next Meeting 19 May 2026

**** Swap Meet Guidelines**

We will have three tables available inside the meeting room for members to BUY – SELL – TRADE – DONATE beekeeping items. The swap meet times are 6-6:30pm and from 8-8:30pm.

1. All items must be Beekeeping related only.
2. Due to limited space please bring only 3 items to sell.
3. All swap activities must cease at 6:30pm and will restart at 8pm and close at 8:30pm.
4. Mark each item with your name and price
5. Cash or Check only.
6. Please donate 10% of sales to the club. We will use the honor system so be "honorable".

This is a new event and hopefully we can continue in future meetings. If you have any questions or concerns, please contact Dave Tuttle.
